MOBILE TELEPHONES

Mobile telephones taken onto the golf course must be switched off and only used in cases of genuine emergency

COURSE RULES

- The Club Captain, Ladies' Captain and President of the Club have precedence on the tee at all times.
- All play must commence from either the 1st or 10th tee unless otherwise authorised.
- All Inter-Club Matches have some form of Tee Reservation and have priority on the course. All Knock Out Cup Matches have priority on the course. If either Club Matches or K.O. Cup Matches are being held up, they must be allowed through.
- Filtering In. Players waiting to start their round must allow one match on, or near the green immediately preceding their starting tee to continue before they themselves commence play. After one match is let through it is the turn of the first match waiting to tee off. This continues alternately, a queue of waiting players cannot block a tee. This rule will not apply when Competition Reserved Times are in force.
- Queuing at Tees - When there is a queue waiting to commence play at any tee, a match must be fully made up before it can take its place in the queue. For example, a two-ball cannot get to the front of the queue and then invite a third player to join them. This has been a recognised point of etiquette at Louth Golf Club for some time and was recently reaffirmed by the General Committee.
- The use of White Markers is reserved for Club Matches, Club Competitions, K.O. Cups, County, National and Professional Events only. All other play must be from the yellow, red or blue tee markers.
- The Ground staff MUST be given priority wherever they are working on the course. DO NOT PLAY if there is a risk of hitting them. Wait until they stand aside and give you the all clear.
- Members shall at all times replace divots, repair pitch marks and rake bunkers after use.
- Only singles, two-ball, three-ball and four-ball play is permitted on the course.
- Practicing on the course IS NOT ALLOWED.
- Pre-Junior members being persons up to and including the age of 10 years. Such Pre-Junior members may only play golf on the course under the direct supervision of an adult Member of the club.
- Any person who submits a request to the Committee to place any form of memorial/commemorative plaque on the golf course for any reason whatsoever must do so with full details of size, form, colour, text, mounting and proposed location and such submission must be approved by the members at a General Meeting.
- Insurance - Members are reminded that it is their individual responsibility to insure their personal property, including golf clubs, against loss by theft or otherwise. This includes property stored in lockers. All property stored on Club premises is done so at the risk of the owners of the property.

These Bye-Laws are correct at the time of print, but are subject to change.
